

Name _____ Date _____ Period _____

Naming Ws #4 Molecular Compounds

A) Name these molecular compounds:

B) Write Formulas for these molecular compounds:

1. Dinitrogen Tetrahydride

2. Carbon Tetrachloride

3. Diphosphorus Trioxide

4. Dichlorine Heptoxide

5. Carbon Dioxide

C) Describe the basic rules for naming molecular compounds. (Assume that you are trying to teach a student who missed the lecture.)
